#6 THE WALSALL CUP

ASTON VILLA RESERVES v WOLVERHAMPTON WANDERERS RESERVES

This contest was decided yesterday at Aston Lower Grounds, Birmingham, before a good attendance of spectators. Both clubs are running a neck-and-neck race for the Birmingham League Championship, and having fought a drawn battle on the same enclosure a few days ago, a very hard game was expected on the present occasion. Both teams were at full strength, and a very interesting game was witnessed, five minutes from the start Leigh scored for the Villa, and although each custodian had plenty to do no more points had been registered up to half-time. On crossing over Strange augmented the home team's lead to a couple, and sixty-eight minutes from the start the Villa increased their total to three. The Wolves played up well, but could not make much headway against the defence of Haggart and Aston. The final score was – Aston Villa, four goals; Wolverhampton Wanderers, one goal.
