Southampton and QPR met in the final for the third consecutive season. There was little to separate the teams in the previous two finals. In contrast the 1978 final was the most one-sided in competition's history. Southampton took the lead after just 8 minutes through Pat Davies who became the first player to score in 5 finals, having done so in 1971, 74, 75, 76 and no 78. Sue Lopez doubled Southampton's lead after 15

minutes. Pat Chapman, Southampton's star striker scored Southampton third just before half-time. Following a brief comeback by QPR, Chapman scored 5 more ending the game with a double hat-trick. Southampton's team included the younger sister of Spurs Graham Roberts – who became the youngest ever player to appear in the WFA Cup Final at the age of just 13.

In addition to the WFA Cup, Southampton also won the Home Counties League and League Cup.
