The league season was subsequently abandoned on 24 February 2021 after COVID-19 lockdown-originated restrictions were imposed.

The scheduled restructuring of non-league football took place at the end of the season, to include a new division that was added to the United Counties League at Step 5 for 2021-22. Promotions from Steps 5 to 4 and 6 to 5 were based on points per game across all matches over the two abandoned seasons (2019-20 and 2020-21), while teams were promoted to Step 6 on the basis of a subjective application process

Anstey and Quorn placed in Premier Division North

Lutterworth and Harborough placed in Premier Division South
